All pricing is subject to an annual increase equivalent to the Annual CPI: Urban Consumer Garbage and Trash Collection index or 5%, whichever is greater.

End Disposal/Processing and or Regulatory Increase: Given the volatility of the market, Casella reserves the right to pass through any and all increases received by end-disposal or processing facilities during the term of this agreement.

Such increases will be passed through to the district with 30-days written notice and accompanying documentation from the end-facility. In the event of state or federal regulatory changes resulting in additional cost, such increases will also be passed through to the district with notice and documentation.
